WTF is Hacker?

I AM A HACKER.

CAN YOU HACK FACEBOOK?

WHEN SOME ONE ASK HOW TO HACK FACEBOOK

MY REACTION!!!

Here’s how some special people define that radioactive word.

John Draper (Captain Crunch)
Hacker Ethic

• Access to computers should be unlimited and total
• Sharing - promote decentralization
• Hackers should be judged by their hacking, not criteria such as degrees, age, race, sex, or position
• Computers can change your life for the better

Examples of Famous Good Hackers

Kenneth Thompson & Dennis Ritchie

I didn't invent the Internet

I did not invent the Web
